## PROFESSIONAL EXPERIENCE

### Sepia Films Limited

Apr 2018 - Present

#### Contract Character Concept Artist

Hired on contract to design character for upcoming feature length film.

Worked directly with producers to develop character designs, as well as style guides for the film.

### Montolvo on Montana

Mar 2014 - Apr 2014

#### Freelance Graphic Designer

Hired on contract to design and brand a new line of denim clothing products for the company.

Worked closely with and assisted founders of the company to create a brand that cater towards the new line's target demographic. Produced a logo business cards, as well as various print labels for the clothing.

### Vox + Associates

Dec 2010 - Dec 2011

#### Intern

Worked with Vox + Associate's print department, and familiarized myself with a professional design environment.

Was tasked to create and develop composite images for movie posters, DVD backs, as well as print advertisements. Formatted text and graphics for various materials, and assisted with other tasks when necessary.

## WORK EXPERIENCE

### Culver City Department of Building Safety

Oct 2013 - Aug 2016

#### Building Safety Associate

Worked with the Culver City Building Safety and Community Development Departments in guiding, monitoring, and facilitating development within Culver City.

Responsible for assisting in the department's electronic records transition, involving data entry and indexing for various approved building permits and plans within the Culver City Municipal Area.
